Hi Lakena, I need to know where the restrooms are located that I can access. Are they on the same floor? Will I need a key? In the past, the only accessible restroom stall for me was a 10' building, which is going to affect the breaks we take for the deposition.

Thank you,

**Subject:** [EXTERNAL] Question regarding deposition

Hi LaKena, I will be present with M [REDACTED] for the deposition on Wednesday, however based on my experience in this building I have had issues accessing a disability-accessible (aka "ADA") stall. I want to make sure there is a nearby restroom with a disability-accessible stall for me to use throughout the day. Sometimes these restrooms do not have an accessible stall (with extra space for a wheelchair) and are locked for non-city employees. Can you please let me know as soon as possible which restroom I will have access to on the day of the deposition? Thank you and I look forward to seeing you.

Thank you,
